

INTERNATIONAL HORSE RACES BADEN-BADEN IFFEZHEIM BÉNAZET GRANDSTAND

The Iffezheim racecourse offers an attractive mixture consisting of elegant flair, the chance to place exciting bets as well as recreation in a delightful setting at one of Germany's most attractive racecourses.

The unique Brenner's Lounge is located on the first storey of the Club Tower of the newly built Bénézet Grandstand – in the best possible position, vis-à-vis the finishing line.

From here you can enjoy a view of the whole course. The Brenner's Lounge extends over an area of 200m² and offers you personal character in an exclusive ambience with a maximum capacity of 80 persons, whose needs are catered for by staff members of Brenner's Park-Hotel & Spa.

The open fireplace, the bar, the flat screens to follow the action on the racecourse, our workdesk with Internet access and our own tote for placing bets in the most convenient manner, create a unique racecourse atmosphere.
